**LAS VEGAS POLICE DEPARTMENT  
RECRUITING AND SELECTION**

**Pre-Investigation Questionnaire**

**DIRECTIONS:** The Las Vegas Police Department has developed a comprehensive and intense selection process for Police Department applicants. This selection process will consume a great deal of your time as well as expense and effort for the Las Vegas Police Department. This Questionnaire is designed to acquaint you with certain standards, which MAY or MAY NOT DIQUALIFY YOU AS A CANDIDATE DURING THIS SELECTION PROCESS. This Questionnaire is designed to save you time, money and energy early on in the selection process. Your truthful responses to the following questions and the following interview with your Recruiting Officer will help you to evaluate your chances and ability in continuing on in the Selection Process. Recruiting of all candidates is done without regard to race, color, national origin, ancestry, sex, age, religion or disability, in the provision of services, programs or activities. The City of Las Vegas is an Equal Opportunity/Reasonable Accommodation Employer.

All subjects on this application form are subject to verification by an intense background investigation. Deliberate inaccuracies, incomplete statements, minimizations, rationalizations, omissions and/or misstatements must be corrected. If they are not, it may result in your disqualification from the selection process or termination from employment if hired.

It is to your advantage to respond honestly and openly to all of the following questions. Any negative factor in your background will be evaluated in terms of circumstances and facts surrounding the Police Department and its degree of relevance to the job. The Las Vegas Police Department is looking for mature, honest people who can admit their mistakes and discuss those mistakes, honestly. For example, being fired from a job or having an arrest record is not, in itself grounds for disqualification in many cases. During your interview, your background Investigator will inquire into facts surrounding the event. An evaluation will be made of the relevance of the facts to the requirements and guidelines of the job. It is your responsibility to be truthful. A negative factor in your background may not terminate you from the application process, being dishonest about that negative factor will. Be honest. If you feel some event in your background is indirectly related to your application, even though it is not specifically listed, then disclose it. Save yourself a great deal of time, money, energy and effort of continuing on in the process.

You will need to write a short narrative to fully EXPLAIN EACH YES ANSWER. Make sure your writing is clear just as you would in a normal police report. In your narrative answer the relevant questions of Who, What, When, Where, Why and How Often as each question requires. Write your narrative in **BLACK INK ONLY**. Again, IT IS IMPORTANT THAT YOUR ANSWERS BE HONEST, AS THE INFORMATION WILL BE VARIFIED BY THE EXTENSIVE BACKGROUND INVESTIGATION.

Make sure you include sufficient detail in your report that your background Investigator can read and fully understand the circumstances, what happened, when and why.

Reference your DRUG and SUBSTANCE EXPERIMENTATION. Make sure you list the dates first used. Don't rationalize or minimize the facts. If you can't remember the exact dates, put down the month and year to the best of your ability.

If you need more room to write on any given page, continue writing on the bottom lines of the next page, etc.

\*\*\*It is your responsibility to ask for clarification of any question or word that is not perfectly clear and understandable to you. Unless otherwise stated, each question refers to anytime, any reason, any place, anywhere at any age, in any jurisdiction, in civilian and military life, domestic or abroad or on any Military Installation Base or Federal Land. **IT IS YOUR RESPONSIBILITY TO BE HONEST AND TRUTHFUL**

Please fill out this form in **BLACK INK** only. It is your responsibility to write clearly and legibly. If we cannot read it, the public will not be able to read your police report either.
